Joan Maguire, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Legally I cannot use Lyrics or Music because of Copyright but I can use song titles so a total of 1337 song titles (Italicized) have been used and due to the nature of my books; legally I must place a Reference (exactly as it is down loaded) and Bibliography after the story. Fred and Sylvia Dawson married and raised their four children in the suburb of Monologue just across the river from New York. Nancy, the eldest, has decided to have a family reunion at her place in Chicago at Christmas time and it turns out to be more than a family gathering as each person reveals a hidden secret. Can Sam, their youngest daughter s husband shed light on this mystery by telling them a story from his Peruvian ancestry. Does his story have anything to do with the certain person that has visited his other relatives and the UFO sightings? TESTIMONIALS I am Susie and would like to tell you guys, how much I am enjoying Joan Maguire s Books!! They are very enjoyable, and they are something that you do not ever want to put down!! I really enjoy these books; I can t wait until the next one that she puts out!!!!!! I say go to your local book store, today and get one, you will not be disappointed!!!!!! Sue-from the United States of America The song titles series are books that were intriguing and were hard to believe that these short stories were written within the incorporated song titles of the artists that are mentioned in the titles. I loved what I have read so far and think that anyone with an...
