Diary. Book Condition: New. Not Signed; This title is available in 6 delicious colors. In a world where products are out as soon as they're in, where communicating without wires doesn't come without strings, and even our accessories need accessories, we need simple tools. This is a book that helps us look inside because we are overloaded outside. Keel's Simple Diary[trademark] offers structure for those who don't have time to wonder, making it easy to record life's moments. It gives the pleasure of a quick response and the sense that no matter what's wrong, more is right. Why Simple Diary[trademark] ? There are three reasons why most people, although they have tried, won't keep a diary: not every day is very eventful; it actually takes a lot of discipline to write; and, in retrospect, many find what they have written embarrassing. What is Simple Diary[trademark] ? It is an assistant for life, a book for any occasion, for any person at any age. On every page you will discover a taste of philosophy, a pinch of psychology and a twist of insight. And here are three things Simple Diary[trademark] can do for you: entertain the mind; help you focus; and, keep you company. Simple Diary[trademark] is Keel's response to having too much information and not enough meaning, and needing to remember what made him smile. Three volumes and many pastrami sandwiches later, Keel finally had the answers to his own questions. Simple Diary[trademark] is the culmination of his quest to gain insight into who we are, and why we do what we do. Simple Diary[trademark] Let it happen. book.
