Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, The Bone Orchard, Paul Doiron, In the aftermath of a family tragedy, Mike Bowditch has left the Maine Warden Service and is working as a fishing guide in the North Woods. But when his mentor Sgt. Kathy Frost is forced to kill a troubled war veteran in an apparent case of 'suicide by cop,' he begins having second thoughts about his decision. Now Kathy finds herself the target of a government inquiry and outrage from the dead soldier's platoon mates. Soon she finds herself in the sights of a sniper, as well. When the sergeant is shot outside her farmhouse, Mike joins the hunt to find the mysterious man responsible. To do so, the ex-warden must plunge into his friend's secret past - even as a beautiful woman from Mike's own past returns, throwing into jeopardy his tentative romance with wildlife biologist Stacey Stevens. As Kathy Frost lies on the brink of death and a dangerous shooter stalks the blueberry barrens of central Maine, Bowditch is forced to confront the choices he has made and determine, once and for all, the kind of man he truly is, in The Bone Orchard by Paul Doiron. Praise for The Poacher's Son: An excellent debut - filled with murder, betrayal and a terrific sense of place. C.J. Box. A stunning debut. At its heart this is a tale of bitter betrayal, lost hopes and broken dreams. The book has a tautness that is impossible to forget and which left me close to tears. It is also the first in a series. Its successor, Trespasser, also featuring Bowditch, is on the way. Grab him now. Daily Mail. Stunning vistas. eye popping scenes - The New York Times Book Review. This is a compelling, moving and utterly...
