Why settle for an outdated guidebook written by someone in New York or London We include the date that each piece of information is updated in this book. Other guidebooks dont do this and many proactively hide the publication date of their books because their information is several years out-of-date. Its nearly impossible to keep a printed book updated, and were not perfect, but we are transparent. We make a sincere effort to keep the books as up-to-date as possible. The VIVA community of travel writers, local experts and travelers like you are continuously on-the-ground updating and improving this...
