Niyogi Books, India, 2015. Hardback. Book Condition: New. 282 x 213 mm. Language: English . Brand New Book. The book is a pictorial record of an art form that is now almost completely extinct. The range of these painting is truly awe-inspiring. They not only portray various mythological situations and instances from local folk tales but even daily chores and sometimes just images from nature. This range, which makes it a truly representative art form, betrays its popularity and relevance in its time. Culled from temples, mansions, havelis and houses, these paintings are artifacts of great socio-historical importance. They are an integral part of the nation s artistic and cultural heritage. These are vibrant depictions of the culture of the land and the times in all its manifestations. The author s extensive travels through the small towns, villages and cities of north and central Gujarat have helped him build a collection as comprehensive as it is varied and particular.
