Reviews

It is one of the best books. Yes, it can be performed, nevertheless an amazing and interesting literature. You may like the way the article writer publishes this ebook.

Ace Hardcover, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Meet 15-year-old Jessica Anne Porter. She's a plucky teenager from a town near Chicago who spends most of her time hanging out, looking for something to eat, and finding a safe place to bed down for the night. Jessie's not a homeless person, though. She's an undead person. Turner's debut is a massively entertaining and seriously revisionist zombie novel. How revisionist? Well, her characters communicate with each other eloquently (although, to humans, it sounds like a lot of grunts). They remember their past lives: who they were, how they died. They have thoughts and emotions, and when a new kind of creature, a sort of human-zombie hybrid, appears out of nowhere, they feel fear. The author has taken the familiar zombie clichés and given them a good shake. Jessie, who's been dead for nine years, is as real and human a character as anyone you're likely to meet in the pages of a mainstream novel, and Turner has created a new zombie mythology that is smart, scary, and viscerally real. Recommend this one highly to horror fans, even those who claim to have sated themselves on zombies." -David Pitt, Booklist (starred review).
