This sort of ebook is every thing and made me hunting forward and a lot more. I have read through and i also am confident that i am going to going to go through once again once more in the foreseeable future. I discovered this publication from my dad and i encouraged this book to discover.

LATE

Carcenet Press Ltd. Paperback. Book Condition: new. BRAND NEW, Late, Michael Hamburger, "Late" is both an elegy for and a celebration of life in our century as we approach the end of the millennium. In the spirit and style of Michael Hamburger's much-admired "Variations", "Travelling" and "In Suffolk", it is a narrative meditation in a developing series of short passages. In some of his most musical and subtle lyric writing, it draws together the abiding concerns of his poetry: the cycles of the passage of time, the interrelation of past and present, of continuity and change, in both the natural and the social and historical worlds.
