

Abraham and Obama: The Impact of Abrahamic Monotheism on Religion, Politics and Society

By Jerry Zerg

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Abraham and Obama is the revelation of the birth and contribution of monotheism, which is the belief in one Supreme God. Since the beginning of civilization, humanity imagined and then relied on the existence of Divine Beings that would enrich their lives and solve most of their problems. Throughout history, aside from food and shelter, human beings have spent more of their time and money on religious observances, artifacts and structures than on any otherworldly concern. Today the majority of people on Earth are monotheists. The major monotheistic religions are Judaism, Christianity and Islam. These faiths have chosen Abraham as their first patriarch. In order to comprehend and familiarize oneself with the significance of Abraham's revelation, the author conceived a visionary meeting with Abraham when this unique religious concept was first revealed. It also was at a time in history when humanity was universally polytheistic. In order to obtain this information and give it a high sense of authenticity, the author had to create a visionary encounter with the Patriarch Abraham, who lived about...
