

BUSINESS SYSTEMS HANDBOOK: STRATEGIES FOR ADMINISTRATIVE CONTROL

Filesize: 1.46 MB

Reviews

This written publication is wonderful. It can be written in straightforward phrases instead of confusing. I discovered this pdf from my dad and I suggested this publication to learn.

BUSINESS SYSTEMS HANDBOOK: STRATEGIES FOR ADMINISTRATIVE CONTROL

[DOWNLOAD](#)

McGraw-Hill, NY, 1979. Hardcover. Book Condition: New. Dust Jacket Condition: Near Fine. 1st Edition. The number line on the copyright page begins with 1. Each chapter, etc., has its own page count so it would be impractical to give you a total. But the page block is about 3/4" thick so it's at least 200 pages, maybe 300. Hardcover in an attractive/durable full-cloth binding, includes a lot of "Exhibits" and "Modules" (I think those would correspond to Figures and Tables), also includes an Index. "This Handbook gives you crucial strategies and techniques that will help you achieve administrative excellence in setting up and controlling your company's most problem-prone business systems. Here you'll find a comprehensive treatment of each of the important systems currently in use: manufacturing systems.marketing and distribution systems.procurement and storage systems.personell and payroll systems. and financial, statistical, and tax reporting systems. In addition to describing the main elements of a business system, this definitive Handbook shows you how to control the administration of a system through the development of control manuals and through computerized operations. You are also shown how to make a structured study of your present practices in order to develop the right systems for your particular company or business." New, unread copy: spine square/minor bumping at head/heel, one TINY black spot on front board, one name and address sticker on front free endpaper/endpaper and first few pages have a TINY bit of creasing at outer edge else the book is perfect (pages white) with NO markings throughout. I imagine the dj is New, too, but it has a couple issues so I'll call it Near Fine: it's price-clipped, spine has minor fading/light bumping at head and heel/one VERY small chip at heel, two shortish tears at upper edge of back else it's in excellent condition...
