HOSPITALITY TEAM: USHERING IN EXCELLENCE

Createspace, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.When people feel loved, accepted, and safe, they are more likely to open their hearts up to God, enter into praise and worship, and receive the message. Barna research has determined that the average person decides whether they will come back to a church within the first five minutes upon arriving. That is before they ever hear the first song or the message. Those first five minutes determine how people will receive from God during the rest of the service. Our words and actions must convey the same love and value that Jesus Christ demonstrated. In Hospitality Team Ushering in Excellence, you ll discover how to: Fulfill your passion, while being fully committed to the common goals of the team. Usher people into a meaningful relationship with God. Help people build a Bible-based sense of self-worth. Usher in a way that reinforces the in Christ message.
