Made discretionary adjustments to the financial statements, for the sole purpose of minimizing volatility and achieving desired financial results. Forecasted and managed unrecognized income and expense to measure and maintain a cookie jar reserve. Recorded reconciliation differences and other errors as phantom assets and liabilities . These phantom assets and liabilities were then amortized in accordance with a 30-year conventional mortgage proxy life. Developed estimation methods that were inconsistently applied to retrospective and prospective amortization. Applied discretion to the selection of market rate assumptions in order to achieve desired accounting results. Developed and effected capabilities to iteratively generate and evaluate estimates under varying assumptions, in order to obtain desired outcomes. Incorrectly and inconsistently applied adjustments to the estimate of amortization. Failed to properly investigate an employees concerns regarding illogical or anomalous amortization results, and allegations of an intent to misstate reported income. Tolerated significant weaknesses in internal controls that undermined control objectives, maintained inadequate segregation of duties, and impeded the review and oversight of accounting processes and results. Requirements of SFAS 91 2 SFAS 91 was issued to establish consistent accounting for nonrefundable fees and costs associated with lending activities. The scope of SFAS 91 includes premiums, discounts, and other deferred purchase and guarantee fee price adjustments (collectively deferred price adjustments), and requires that they be recognized as an adjustment to income using the effective yield method. This method requires that a company estimate a constant effective yield for (e. g. , . . . This item ships from La Vergne,TN. Paperback.
