Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, Wartime: Britain 1939-1945, Juliet Gardiner, Juliet Gardiner's critically acclaimed book - the first in a generation to tell the people's story of the Second World War - offers a compelling and comprehensive account of the pervasiveness of war on the Home Front. The book has been commended for its inclusion of many under-described aspects of the Home Front, and alongside familiar stories of food shortages, evacuation and the arrival of the GIs, are stories of Conscientious Objectors, persecuted Italians living in Britain and Lumber Jills working in the New Forest. Drawing on a multitude of sources, many previously unpublished, she tells the story of those six gruelling years in voices from the Orkney Islands to Cornwall, from the Houses of Parliament to the Nottinghamshire mines.
