Createspace, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.This ebook will start you on the road to creating your own record label and tell you how to be successful. You will discover how to go about legally starting your business by hiring the right people to help you, such as accountants and an entertainment lawyer. Learn about business structures, contracts and why you need to register a business so you can legally operate your record label. Learn how to find a recording team to help you run your label and record the talent that you will discover. This book discusses how to discover musical talent, getting them signed to your label and what to do if you have problems with your artists. Find out how music is distributed, how to promote your company and artists, and discover websites where you can get more useful information about the business. This ebook is a good overview about the recording industry and what your role will be in it as a record label owner. It isn't an easy business to get into, but you can be successful at finding and making the music stars of the future if you have the tenacity it takes to be in the industry.
