A Guide to the Practical Examination of Urine: For the Use of Physicians and Students (Classic Reprint)

By James Tyson

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from A Guide to the Practical Examination of Urine: For the Use of Physicians and Students In announcing the tenth edition of this manual the author feels that he may allude with just pride to the fact that over 25,000 copies have been published since the book first appeared. This has been accomplished with comparatively little special advertising and no canvassing, so that it seems fair to conclude that the book has made its way through its inherent merits. The present edition has been carefully revised, and additions and corrections have been made where they seemed desirable, while some matter has been cut out, the author's aim being to meet the wants of the busy physician and student of the present day without materially increasing the size of the volume. In point of fact a very considerable amount of new matter has been introduced, and it is hoped that the book will be found thoroughly modern.
