## OPENING THE ENERGY GATES OF YOUR BODY: CHI GUNG FOR LIFELONG HEALTH

Blue Snake Books. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 9.3in. x 7.5in. x 0.8in. Opening the Energy Gates of Your Body explains the practice of chi gung (qigong), the 3000-year-old self-healing exercise system from China. Originally published in 1993, this book has become a classic that has inspired tens of thousands of Westerners to learn to activate their chi life-force energy to improve their health, reduce stress and reverse the effects of aging. This fully revised edition has more than 100 pages of new material, including Longevity Breathing methods; how cross-training in chi gung can enhance other exercises such as yoga, golf and weight training; and nei gung techniques for advanced practitioners. Opening the Energy Gates of Your Body includes a comprehensive guide to chi gung theory and a systematic lesson plan with more than 100 illustrations. These low-impact exercises are suitable for almost any age or fitness level. They provide the foundation for learning any other chi practice, such as tai chi, martial arts, meditation or TAO Yoga. Frantz explains not only how these inner aerobics are done, but why. Going beyond mere body movement, he teaches from the inside out, linking the biomechanics and anatomy of the physical body with the subtleties of chi. This book provides practical methods to help people become balanced, relaxed and joyful. Frantz is trained for more than a decade in China, became a Taoist Lineage Master quite a rare occurrence and...
