

The Way of the Sufi: Talks on Sufi Stories

By Osho

Full Circle, New Delhi, India. Softcover. Book Condition: New.
 "Sufis are past masters in parables. Sufis know how to say in parables things which cannot be said. They have created the best parables in the world ."A parable is a way of saying things in an indirect way. Truth cannot be asserted directly. That is too violent, too aggressive, too male. Truth can only be said in a very indirect way. It can be hinted at, indicated. You cannot be convinced of the truth: you can only be persuaded. And the master is one who is not going to convince you of the truth but who is going to seduce you into truth."
