Excerpt: . . . 11 number of people who have been dropped from the rolls, but that should not be the measure of success. What we should be talking about is the number of people who have been able to move out of poverty. As we prepare to again reauthorize welfare reform, I sin-cerely hope that we will remember the lessons learned over the past 8 years. One lesson, of course, is that a strong economy can make some of the complexities of welfare reform go away. During the boom of the mid-1990s, there were jobs for people when they left welfare. Today, many of those people are going back onto wel-fare because the economy is no longer creating the same opportunities. Which leads me to my first priority - education and training. These priorities are key to successful welfare reform. I believe strongly...
