base chemistry (secondary vocational education. basic course. Eleventh Five-Year Plan materials)

By XU YA ZHOU // LI YU FEN

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 237 Publisher: Mechanical Industry Press Pub. Date: 2009 -01. Basic Chemistry is based on post-secondary vocational education and training objectives with the status of vocational education prepared for vocational. vocational and secondary vocational non-chemical point of the professional class. Basic Chemistry The main contents include the basic concepts and basic chemical calculations. chemical reaction rates and chemical equilibrium. electrolyte solution. structure of matter. periodic law of elements. redox reactions. electrochemical basis. important non-metallic compounds. an important metal elements and their compounds. organic compounds. energy total of nine chapters. and arranged a number of experiments for teachers to choose appropriate according to the actual situation of the school to use. Contents: Preface Chapter 1 Basic concepts of chemical and physical structure of the basic unit of calculation 1.1 1.2 1.3 structural units of measurement of the concentration of the solution 1.4 is calculated according to the chemical formula 1-1 radioisotope applications feature special chemical reagent grade 1-2 standard Summary Chapter 2 Exercises chemical reaction rates and chemical equilibrium chemical reaction rate 2.2 2.1 chemical equilibrium feature 2-1 2-2...

Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. Its been developed in an exceedingly simple way and it is just after i finished reading this ebook in which in fact modified me, alter the way in my opinion.

-- **Ollie Powlowski**

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).
