

Kill Fear Before Fear Kills You

By J.P. Vaswani

Wisdom Tree, New Delhi, India. Softcover. Book Condition: New. What's your fear? How did you acquire it? How can you free yourself from its clutches? The author, one of the most revered spiritual masters of our times, affirms that fear was not put into us by God. We acquired it, took it upon ourselves or it was put into us by the environment in which we live. He goes on to assure us that whatever it was, howsoever big it may have become, fear is removable. This practical book, enriched with inspirational stories, helps us understand and recognise our fears, conquer them and live our life fully fearlessly. Printed Pages: 120.

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
