Palibrio, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English, Spanish . Brand New Book ***** Print on Demand *****. Este libro que tiene en sus manos es la cuarta obra del autor, Dr. C. E. Enrique Mendez Vazquez. Dicha persona posee una licenciatura en Educacion Fisica, una maestria en docencia, una maestria en Ciencias Politicas y un Doctorado en Ciencias de la Educacion. Es representante de la Fundacion Hernan Becerra Pino, presidente de la Casa de Cultura de Guatemala en Palenque, Chiapas; Mexico (la sede es su domicilio), presidente del Movimiento por la Revolucion Intelectual de Palenque, A. C., miembro del Club Rotario Internacional de Palenque; y tambien ha empezado a desempenarse como editor. Organizo el Primer Premio Internacional de Poesia infantil, Fundacion Hernan Becerra Pino, y publico el poemario ganador de dicho certamen, intitulado Rios de Amor, de la autora Lourdes Karely Perez Vargas. En este poemario participo como editor y compilador. En esta era del conocimiento (pero en el sensu lato de la palabra), ya es inconcebible hacer (escribir) proyectos por obligacion y que solo quedan como mera entelequia; ahora el autor establece como Nuevo Paradigma Imperativo, la rapidez con la que se hacen realidad los proyectos. Tomando en cuenta esta premisa se debe valorar y otorgar meritos a las personas en cualquier empresa donde labore. El autor piensa que asi como el oxigeno y el alimento son condicion sine qua non para poder vivir, tambien debe ser una necesidad imperiosa ayudar a los mas necesitados sin esperar recibir nada a cambio, debe ser una satisfaccion inexplicable hacerlo; ya que es nuestra esencia como seres humanos. La filantropia debe ser una necesidad imperiosa para todos los humanos.
